VIBRANT THEATRES – VIBRANT CITY

HENNEPIN STAGES MAIN FLOOR THEATRE

SUN COUNTRY THEATRE AT HENNEPIN STAGES

MAIN FLOOR THEATRE

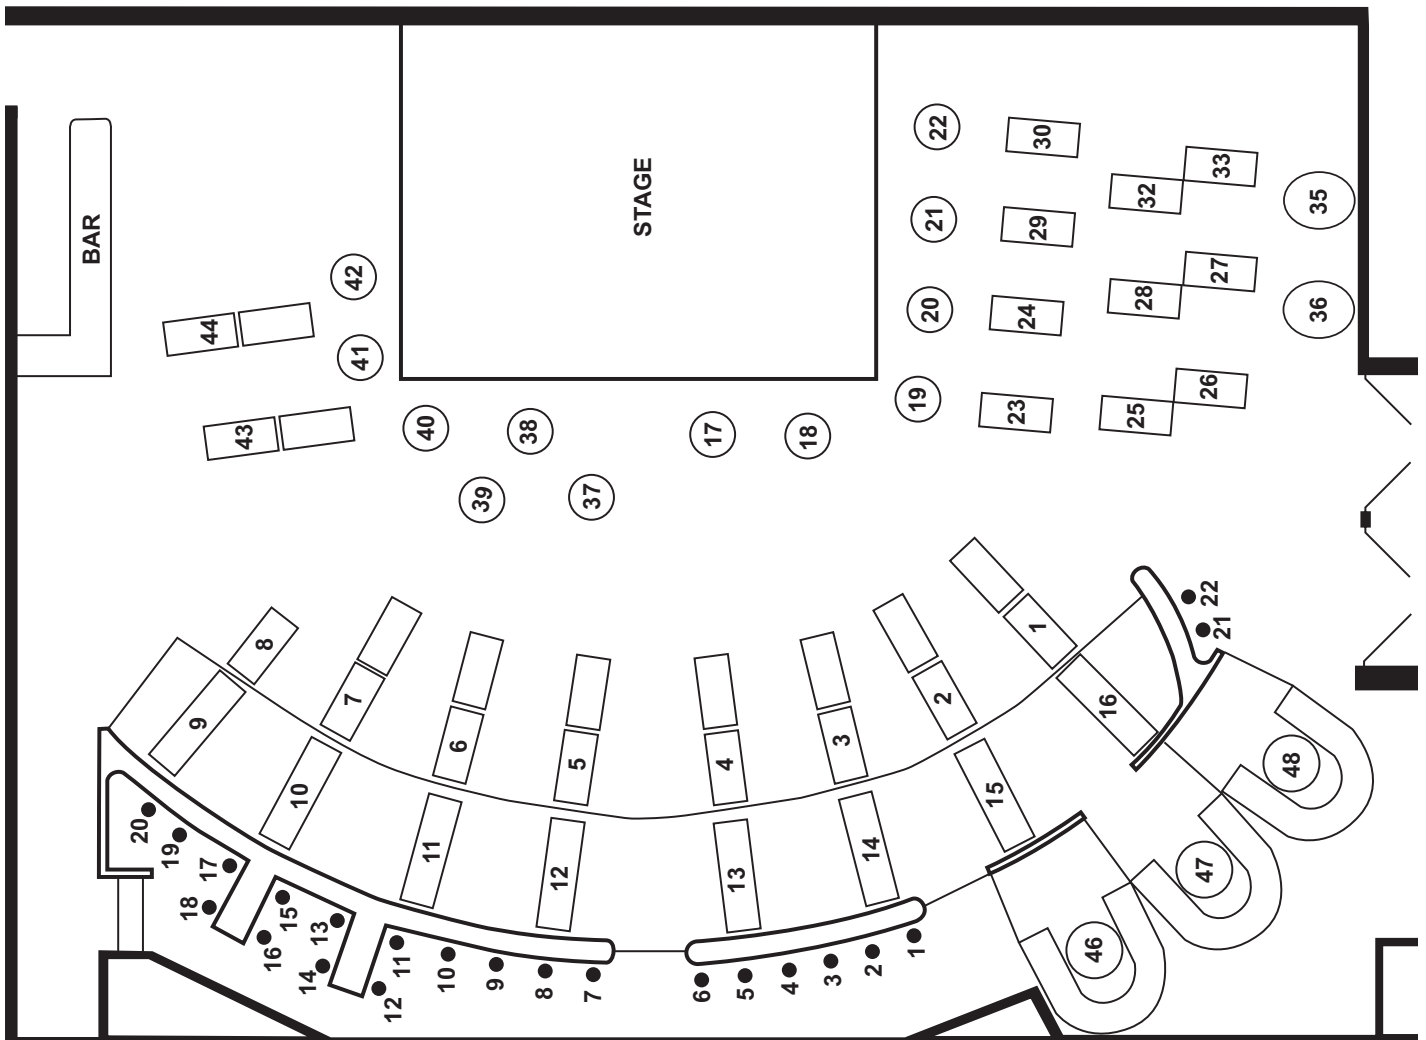

The main floor space offers an intimate setting with cabaret tables, high-top rail seating and cozy banquets.

This space offers:

- Professional light and sound capabilities
- Flexible stage configuration, with optional use of up to twelve 4' x 8' platform stage decks
- Beverage service from a bar inside the theatre
- Food preparation area located nearby
- Restrooms, dressing rooms and a green room on the lower level
- Ticket office in the main floor lobby (used by both spaces)
- Stairs and an elevator for guests to reach the lower level restrooms
- Handicap accessibility

SEATING CHART

(typical configuration – 240 seats)

- 1 – DDA 4-Way Fixed Crossover
- 1 – QSC MX-1500a Power Amplifier
- 1 – QSC CX-2100 Power Amplifier

STAGE DIMENSIONS

The configuration at the left shows a standard set-up using six 4' x 8' platform stage decks. Six additional platform stage decks are available for use (twelve total).

The back row is measured in floor space and does not account for bar top rail across back row. That would be subtracted from the 5'-2" size.

SUN COUNTRY THEATRE

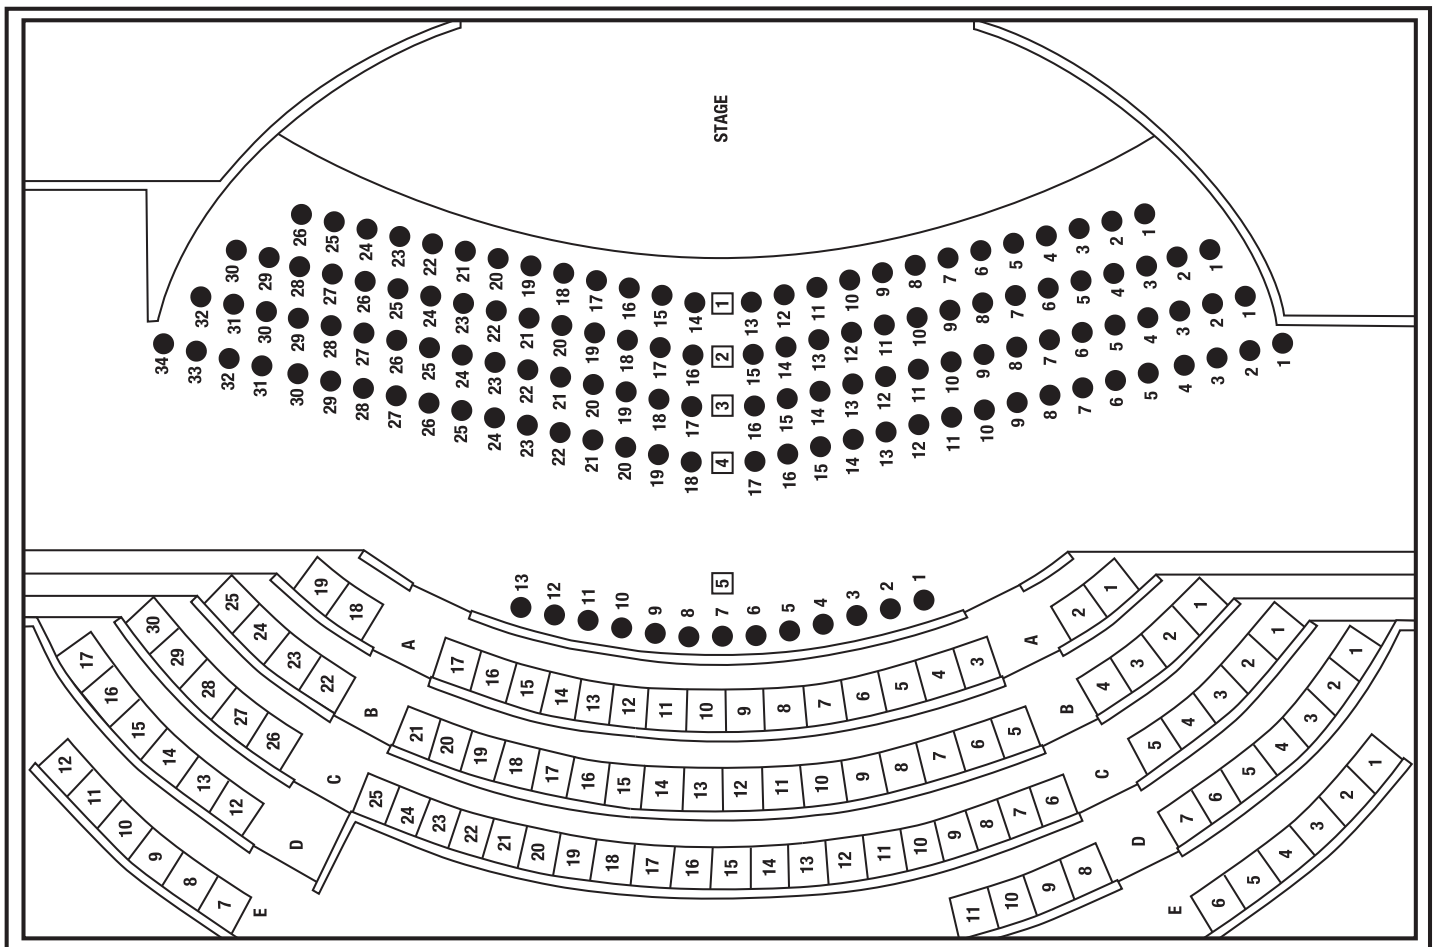

The Sun Country Theatre at Hennepin Stages offers an intimate theatrical setting with both traditional theater seats and cabaret tables.

This space offers:

- Professional light and sound capabilities
- Two dressing rooms behind the intimate, slightly-raised stage
- Restrooms
- Bar in the lobby
- Ticket office in the main floor lobby (used by both spaces)
- Stairs and an elevator for guests to reach the second floor theatre
- Handicap accessibility
